

Sarah Proctor Legacy Award

Living Life like Sarah, helping and loving others always, especially as a teacher!

Romans 12:6-7 6 We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your faith; 7 if it is serving, then serve; if it is teaching, then teach.

To the teacher who is planting the seed for the love of learning,

Sarah lived her life always loving and helping others. She was a phenomenal teacher who was super creative and always encouraged reading. She was so passionate about her kids, the families and the teaching profession.

She is missed by so many but this Award is one way that the LOG (Love of God) Community can pay it forward in her memory and help fellow teachers much like Sarah would always do!

We will be awarding Amazon gift cards to help with your Amazon wish list and other classroom needs. Please complete the application below and return to director@logmichiana.org. The award committee will review the applications and let you know if you have been chosen.

Applications are due September 30th and awards will be disbursed by October 27th.

We thank you for your time in applying for this and for your passion as an amazing teacher shaping young minds! If you have any questions, please contact directors, Trisha and Brandon, at director@logmichiana.org or current LOG board president, Ashley, at adecker021@gmail.com.
